Bring perspective to due dates with the Calendar Power-Up for Trello. Whether you are planning a conference, managing an editorial calendar, or organizing a family vacation, the Calendar Power-Up let's you display cards with due dates in a weekly or monthly calendar view. Easily prioritize cards by dragging and dropping them on the calendar to automatically update their due dates, and export your Trello calendar to third party apps with an iCalendar link.
• Display and filter cards with due dates in a weekly or monthly calendar view.
• Manage due dates by dragging and dropping cards on the calendar.
• Easily see completed tasks by marking due dates complete.
• Export a board's calendar to third party calendars with each board's unique iCalendar link.
• The Calendar Power-Up is supported on the web and iOS and Android mobile devices.
